## History

Tragically on the 16th of September, 2006 at 1:15 p.m. they were victims of an accident that involved the team's bus and another car in the Via Mala Tunnel (Grissons). ## Rules the italian version is binding

### 1. Category

All boys and girls born after January 1st 2013 are entitled to play in the tournament. If requested to do so, each player should be able to show the organizing committee a valid identity document.

### 2. Program

16 teams divided in 2 groups of 8 teams each will enter the tournament. Each team plays 8 games: 7 games in the preliminary round and 1 final.

### 3. Composition Of The Teams

Games are played 4 against 4 plus goalies. Each team should have 12 players (divided in 3 lines) plus 1 or 2 goalies. Any withdrawals must be communicated to the jury one hour, at the latest, prior the game. These players can be substituted by other players (even younger ones) decided by the tournament organizers. These substitutes will belong to the hosting team and could lead to a majority number of players. The lineup must be communicated to the opponent coach prior to the game by using the appropriate form. The lineup cannot be changed during the course of the game. All players should play.

### 4. Game Rules

Each team should wear the official jersey of the tournament. Games are played simultaneously on 2 fields with physical separations placed at the blue lines. The central zone is used by the teams as a coaching and rest area. Each team should be ready to start the game at the given time, delays might be sanctioned with a forfeit. Each game consists of 1 period of 21 minutes. Teams will not switch sides after the break. The time will be stopped (on both fields) only in case of an injury. Face-offs will take place in the middle of the ice at the beginning of the periods, after each goal scored and after an injury stop. After every other stop, the puck will be thrown in a corner by the referee. Goals and pucks used in the tournament have standard weight and dimensions.

## 5. Line Shifts

Every 60 seconds the horn indicates a line shift, which occurs without stopping the game or the clock. Each player should immediately leave the playing surface without touching the puck. Players from the next line enter the playing surface only at the horn. In case the clock and horn are not in alignment, the shift should occur at the horn, and not at the end of the 60 seconds. The lineup and the order of the shifts should correspond to the ones communicated from to the opponent coach prior to the game. In case of absences (e.g. injury), players are entitled to shift each other (2 lines principle). In no cases a player is entitled to play 2 consecutive shifts.

## 6. Referees And Penalties

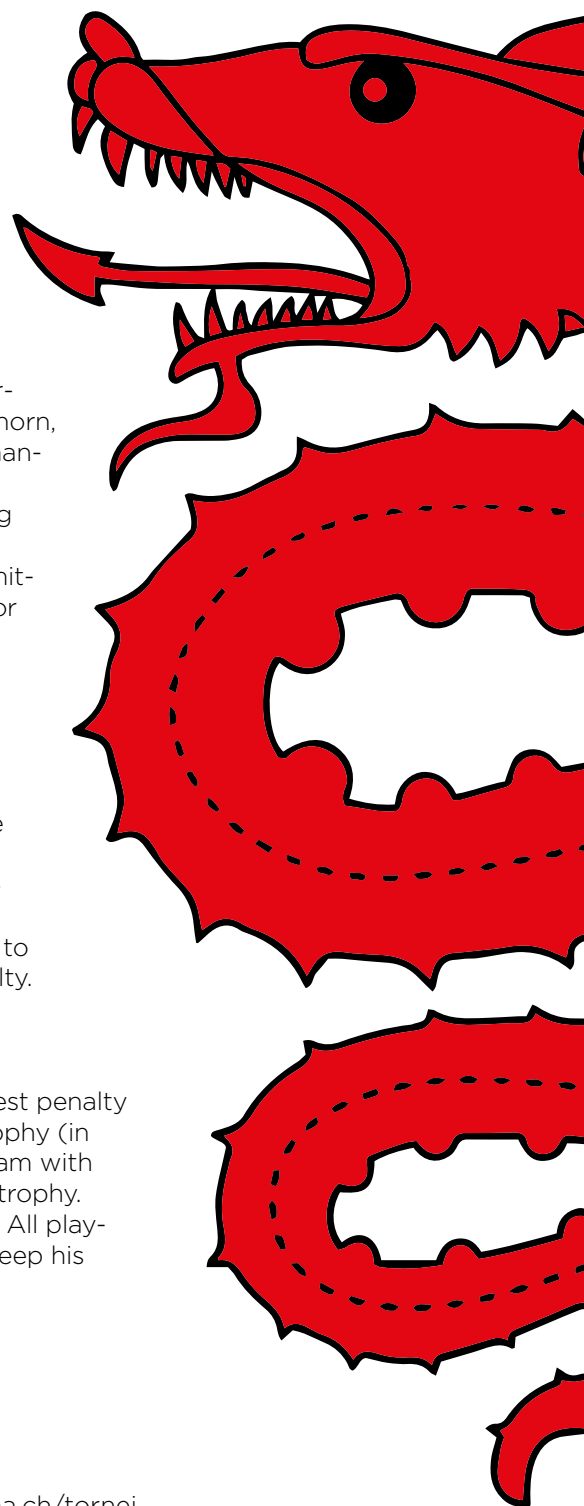

The organizing committee assigns a referee and a judge to each game. The referee manages the game, decides goals and penalties, the judge keeps track of the goals and the penalties. The referee decisions cannot be overruled. The official rules of the Ticino Ice Hockey Federation (FTHG), member of the Swiss Ice Hockey Federation (SIHF) are applied. In particular, slap shots, body checks and touching the puck after the horn, entering the playing surface before the horn, and any unsportsmanlike behavior (of players, coaches and assistant coaches) is not allowed. The penalized player must immediately leave the playing surface until the end of the shift and cannot be replaced. In case of a more serious infringement of the rules, the organizing committee can suspend a player, a coach or an assistant coach for one or more games.

## 7. Standings

In each game 2 points are awarded for a victory, 1 point for a tie and 0 points for a defeat or forfeit (game result 0-5). The standing of the preliminary round will take into consideration the following criteria: points, direct game, amount of goals scored, draw. In case of tie in any of the final games, each team will have 3 penalty shots, in case of a tie after the penalty shots, further penalty shots will be shot until a team wins. No player is entitled to shot 2 penalty shots before every player of his team shot a penalty.

## 8. Awards

Each participating team will be awarded. The team with the fewest penalty minutes on the tournament will be awarded with the fair-play trophy (in case of tie, the lowest classified team will win the award). The team with the more "enthusiastic" fans will be awarded with the supporter trophy. The presence of all teams at the awards ceremony is mandatory. All players should wear the official tournament jersey. Each player can keep his jersey after the tournament.
